Re: California Public Records (CPRA) request - Tuolumne County's Comprehensive Annual Financial Reports (CAFR)

Dear Tuolumne County BOS and Administration:

Under the California Public Records Act § 6250 et seq., **I am asking that the requested record(s) listed below to be posted on the County's website**, OR that I am provided an opportunity to inspect or obtain copies of these public records:

- 1. Tuolumne County's 2020 Comprehensive Annual Financial Report (CAFR)**
- 2. Tuolumne County's 2021 Comprehensive Annual Financial Report (CAFR)**
- 3. Tuolumne County's 2022 Comprehensive Annual Financial Report (CAFR), when published**

If there are any fees for searching or copying these records, please inform me if the cost exceeds \$25.00. However, I would also like to request a waiver of all fees because the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the operations of Tuolumne County.

The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, do not hesitate to contact me with information about when I might expect the records to be posted on the County's website, provided copies, or allowed to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

It would be helpful if the County's website would include a point of contact (POC) for the CPRA officer.

Thank you for processing my CPRA request.

Sincerely,
